PERENNIALS — SPRING 1945

U S Department of Agriculture

Strong, hardy, field-grown, blooming stock. All plants selected, and in good shape for resale. As we are specializing in Shasta Daisies, Chrysanthemums, Hollyhocks and Lilies, we do not have our usual line of perennials to offer this season. Our prices are express collect. Not less than 50 of a kind. Minimum order, \$1.00. This applies to all items except Daisies and Violets which have special prices and rates stated.
